Program Rule Number	1
Description	Definitions
Version	1.0

1) Program Definitions:

a) Manufactured Home: is a factory fabricated, transportable, and permanent housing unit, which is at least 8 body feet in length and width and built on a chassis. It is designed to be used as a dwelling with or without a permanent foundation when connected to the required utilities. It may be equipped with 1 or more room sections that fold, collapse, or telescope into the principal unit when being transported and which can be expanded at the site.

b) Eligible Occupancies:

i) Owner Occupied – a manufactured home that is owner occupied five consecutive months or greater on an annual basis as a full-time, permanent residence by the titled owner.

ii) Seasonal / Secondary – a manufactured home that is used as a seasonal or secondary residence by the titled owner and his/her immediate family.

iii) Rental – a manufactured home that is rented to others. Insurance is provided to protect the interest of the titled owner.

iv) Tenant – per a rental agreement, the insured is entitled to use and occupancy of a manufactured home.

c) Underwriting Authority: Lyndon Southern Insurance Company or entity given authority to transact Lyndon Southern Insurance Company's Insurance programs on their behalf.

d) Vacant- a manufactured home that is no longer occupied and all furnishings have been removed. Manufactured Homes that are vacant at time of new business are not eligible for this program but may be eligible in our Dwelling Fire Program.

Rules

Program Rule Number	4
Description	Catastrophe Management and Capacity Restrictions
Version	1.0

a) Catastrophe Management

In order to effectively manage large-scale events and protect all policyholders, the company may from time to time establish restrictions on binding authority, solely at the company's discretion. When binding authority is restricted, no applications for new policies that meet the restriction criteria will be accepted by the company. In addition, requests to change coverage or decrease deductibles to existing policies in the restricted area that have the effect of increasing the company's exposure will not be allowed. Such restrictions will not impact normal policy renewals.

b) Capacity Restrictions

In order to manage geographic concentrations, overall portfolio exposure and reinsurance, the company may from time to time establish restrictions on binding for new policies.
