Rule Type: Coverage
Rule Number: C60
Rule Description: Roofing Materials Payment Schedule - Actual Cash Value

1. Roofing Materials Payment Schedule is a dwelling level coverage.
2. Roofing Materials Payment Schedule provides Actual Cash Value to Roof Surface subject to Windstorm or Hail losses. A roof depreciation schedule applies.

Rule Type:	Coverage
Rule Number:	C62
Rule Description:	Water Damage Exclusion

1 Water Damage Exclusion is a dwelling level coverage exclusion.

Rule Type: Deductible
Rule Number: DB01
Rule Description: Deductible

Manufactured Home:

1. The insured property is located in Tier 1, the catastrophe area designated by the Texas Windstorm Insurance Association (TWIA), and windstorm or hail coverage is excluded, the rates and/or premiums for all coverages are subject to a minimum all other peril deductible.

2. The insured property is located outside of Tier 1, the rates and/or premiums for all coverages are subject to a minimum all other peril and wind/hail deductible.

3. The deductible may be changed by applying the factors shown in the deductible rate table.
4. The change in deductible does not apply to any coverage with specific deductible limits.
5. The deductible is applicable per dwelling, per loss occurrence.
6. The windstorm or hail deductible cannot be lower than the all other peril deductible.

Tenant:

1. The rates and/or premiums shown herein are subject to a $250 all other peril deductible.
2. The deductible is applicable per dwelling, per loss occurrence.

Rule Type: Rating Factors
Rule Number: R14
Rule Description: Dwelling Loss Settlement Option

1. Manufactured Home included loss settlement option is ACV (Stated Value), with a full repair cost option, a replacement cost option and an Extended Replacement Cost option available.

2. ACV (Stated Value) - the actual cash value at the time of loss, but not more than the amount required to repair or replace the damaged property, subject to conditions set in the policy form. Dwelling must be insured to market value (excluding land value).

3. Full Repair Cost - the cost to repair without deduction for depreciation of the structure, up to the policy limit, subject to conditions set in the endorsement. Dwelling must be insured to market value (excluding land value).

4. Replacement Cost - the cost to repair or replace the property, subject to conditions set in the endorsement. Dwelling must be insured to full replacement cost (excluding land value).

5. Extended Replacement Cost - provides replacement cost up to 120% of the dwelling limit, subject to conditions set in the endorsement. Dwelling must be insured to full replacement cost (excluding land value).
